

## **Greetings from Sune Sunesson, Director**

It has been a busy couple of months for the Pufendorf IAS (Pufendorfinstitutet). Now it is almost summer and we would like to take the opportunity to wish all of you a very enjoyable break. It is our ambition that the newsletter will become **an arena** for sharing news and information about current or completed **transdisciplinary work** - so please email us if you want us to **share information**: [dl\\_newsletter@pi.lu.se](mailto:dl_newsletter@pi.lu.se)

## **Current Work at the Pufendorf IAS**

The work of our current themes and Advanced Study Groups (ASG) are now about to come to an end. In the links below you can read about some of their work.

## **Initiatives and Collaboration at the Pufendorf IAS**

**Transdisciplinarity: How is it done and what does it mean? Conference in May 2018**

On May 4th of next year, the Pufendorf IAS will host a conference to explore transdisciplinarity. Questions on the boundaries of transdisciplinary research and its consequences for practice and theory will be in

focus.

### **Transdisciplinary Approaches to Migration Research 2017/2018**

This initiative aims to explore new conceptual, theoretical approaches as well as methodological innovations to address processes linked to migration. The Pufendorf IAS invites researchers from all faculties into dialogue on crosscutting issues on migration such as ecology, politics, archeology and medicine.
